

One of S.A.'s leading Automotive dealerships has the following position available...

SERVICE ADVISOR

The role primarily involves greeting customers, making and following up service bookings, liaison between the technicians and the customer and administrative tasks such as job costing.

Essential Criteria:

- **Mechanical & Technical Knowledge (experience on Isuzu & Iveco an advantage)**
- **Good diagnostic skills**
- **High level of computer literacy (UNITS experience an advantage)**
- **The ability to follow procedure and meet strict deadlines**

To successfully fill this role you will need: excellent communication skills, both face to face and on the telephone, strong organizational skills, sound administrative/clerical skills, and a commitment to excellence in service provision.

Trade qualifications (mechanic) or a sound mechanical aptitude would be a definite advantage as would previous dealership experience or proven sales experience. This position would be ideal for a tradesperson looking to advance their career.

Please submit your resumes: Attention Human Resources e: career@neisuzu.com.au f: 08 8280 9849

NEISUZUWARR13-3

3171227

The Isuzu logo is displayed in a stylized, italicized font with a metallic, 3D effect. The letters are white with black outlines and are set against a dark, gradient background that resembles a car's body panel.
